Water Conservation Toilet Rebate Application

The City of Longmont's Public Works & Natural Resources Department is serious about promoting smart water usage at home, so we're offering the following residential toilet rebates:

- Up to \$100 for dual-flush toilets, but no more than the cost of the toilet
- Up to \$50 for ultra low-flush toilets (1.6 gallons or less per flush), but no more than the cost of the toilet

Note: Homes built after 1992 will not qualify for the current toilet rebate program, since laws were passed requiring installation of lower flow toilets during that year. Date of home construction will be verified using Boulder County records.

I am applying for:

- ☐ Dual-flush toilet rebate(s)
- ☐ Ultra low-flush toilet rebate(s)

Total number of toilets = _____ (maximum of 2 per calendar year)

Your rebate will be credited to your utility bill. Follow instructions below and complete application on back.

How to get your water conservation toilet rebate(s):

1. Replace your old, 3.5 gallon per flush (GPF) toilet(s) with a new, qualified ultra low-flush or dual-flush toilet. To find the GPF on your existing toilet, look under the toilet lid or on the back of the toilet bowl behind the seat. If the GPF is not listed, the appliance year should be inside the toilet tank or under the lid.
2. Fill out the application and include:
 - ☐ A copy of the receipt for your new toilet(s).
 - ☐ The completed and signed Affidavit of Lawful Presence in the U.S. and a copy of an acceptable form of identification.
 - ☐ A copy of your current City of Longmont utility bill. You must have an active City of Longmont water utility account at the time of purchase and rebate application. The application, utility bill, photo ID and Affidavit of Lawful Presence must all have the same name; the application and utility bill must both have the same address.
3. Bring the required documents and your old 3.5 gallon per flush toilet(s), with tank(s) and bowl(s) separated, no later than 90 days from date of purchase, to:

City of Longmont Waste Diversion Center
140 Martin Street
Longmont, CO 80501

Old 3.5 gallon toilet drop-off hours:
Monday - Saturday, 8:30 a.m. to 4:30 p.m.
Closed Sundays and Holidays.
